## Our Special Items

We would like the children to have a shoebox filled with things that are special to them. The shoebox will be kept in their room and we can take them out and talk all about what items they have in the box

Could parents please bring in a small shoebox with some special items you are happy to leave at the nursery.

These items can be photographs of friends, family, their favourite toy. Or a favourite toy car they are happy to leave in the box.

### Mac & Cheese - A Tasty Treat in only 15 minutes

A quick and easy recipe to serve as a meal with your favourite veggies or as a side dish.

#### Ingredients: Serves 4

- 5 cups milk (1 ¼ L)
- 1 lb elbow macaroni (455 g), dry
- 2 cups shredded cheddar cheese (200 g)

#### Preparation

1. In a large pot, bring the milk to a boil.
2. Add the pasta and stir constantly until the pasta is cooked, about 10 minutes.
3. Turn off the heat, then add the cheddar. Stir until the cheese is melted and the pasta is evenly coated.
4. Enjoy!

**Optional extras:** Add salt, pepper or garlic powder when adding the cheese for extra flavour. Cooked and chopped bacon rashers or chicken breast work perfectly with this dish as a little added extra.

### Little Teeth

We are teaching the children all about dental health and how important it is to clean their teeth properly.

Please remember we do not allow children to drink juice/squash at nursery. We offer milk and water throughout the day. This is to help keep their teeth healthy and strong.

We would love it if you would bring in an empty drinks bottle for your child to keep at the nursery

We would love to hear your comments about the nursery please email.
